# CMD's MESSAGE

*Dear Team Sarjan,*

On the joyous occasion of Deepawali, I convey my warm greetings and best wishes to each and every member of Sarjan Family.

Deepawali, the festival of lights and the epitome of victory of Dharma over Adharma, spreads all-round joy and togetherness.

May this victory of good over evil guide us in our lives and show us the right path. Let this festival inspire us to achieve our targets and that we reach out for greater horizons in our business.

May the festival of lights usher in peace, prosperity and happiness for all our members of Sarjan Family.

## MANAGEMENT THOUGHT

Greetings to the Sarjan India Family.

We are passing through a consolidation phase, when we need to critically examine every action we take for its short term and long term impact on the company. While we are one of a kind, with elaborate structure for quality assurance, assembly, product development etc. unmatched by our peers, we seem to lose our breath while completing a half-marathon. I would encourage each one of us to ask what we can do to improve our effectiveness at the workplace. How can we ensure better customer experience? If I were a customer of Sarjan, what would I expect from the company? How would I expect to be serviced in terms of information, pricing, delivery, quality etc.?

The answers to these questions will guide us in our future actions. If each one of us were to ask our team members how we can contribute to a more effective team, and work proactively towards the team goal, the success as a result of our team work is a certainty. All that is required is to stop asking how the others can help me, and start looking at how I can help the others. If I reach out to help the team mates, my team mates are sure to reach out to help me.

That's the beauty of team spirit!

Wish you all a happy festive season, and a happy future with Sarjan.

WELCOME TO
